Clariant Food Contact Declaration for SORB IT® Packets

We herewith declare, that CLARIANT desiccant packet products i.e. SORB-IT® 1/2G, 1G, 2G, 5G und 10G comply to the EU directives 2002/72/EC and 1935/2004/EC as well as to the European Pharmacopoe.

This refers to all packaging nonwoven types used as well as to the included desiccant product (Silicagel). Inks used for printing do not meet the above mentioned regulations in full.

For this SORB-IT® desiccant packet products are uncritical / non-hazardous referring to contact with food products.

With best regards
CLARIANT Produkte Deutschland GmbH
